PROUD OF OUR CULTURAL HERITAGE

Al Khaznah Tannery as a mark of respect for its very noble material, and for our cultural heritage, we have selected the most caring transformation processes, and use traditional tools and exclusive natural ingredients for our secret recipes.

SUSTAINABLE & ECO FRIENDLY

Al Khaznah Tannery is one of the very few industries equipped to recycle up to 80% of the water required in production. All our products are manufactured with total respect to our environment and their disposal at the end of their life will even enrich our soil, completing leathers' natural lifecycle. We ensure the highest quality control through our in-house state of the art laboratory.

Our exclusive range of leather's authentic beauty will further develop with use and ageing. We have variety of custom-made corporate leather-goods directly produced in-house with our ethical leathers
